19	Manchester	5	B	399	58	89.5
20	Southampton	5	A	364	54	88.3

How to use the subject tables

Universities are ranked by the overall combined score from four indicators: assessments of teaching quality and research, average A-level scores of entrants and destinations. The destinations figure is the percentage of graduates who go on to graduate-type jobs or further study. Scores are weighted to ensure fairness where data is missing from one of the columns
