19	Leeds	22	4	C	350	65	85.8
20	Heriot-Watt	21	4	B	458	50	85.4

How to use the subject tables

Universities are ranked by the overall combined score from four indicators: assessments of teaching quality and research, average A-level scores of entrants and destinations. The destinations figure is the percentage of graduates who go on to graduate-type jobs or further study. Scores are weighted to ensure fairness when data is missing from one of the columns
