19	Birmingham	4	C	391	75	83.5
20	Sussex	5	B		65	81.9

How to use the subject tables

Universities are ranked by the overall combined score from four indicators: assessments of teaching quality and research, average A-level scores of entrants and destinations. The destinations figure is the percentage of graduates who go on to graduate-type jobs or further study. Scores are weighted to ensure fairness when data is missing from one of the columns
