Mrs Judith Elizabeth Coulson

Dear Mrs Coulson

Thank you for the form nominating your husband Timothy Coulson for an honour.

I am sorry but honours are awarded to people for meritorious service over a sustained period and not for specifically saving someone's life.

I have passed your nomination to the Royal Humane Society to consider. I enclose a leaflet on their work.

I am sure you are justly proud of your husband and his efforts to help those who were injured or sadly died on 7 July 2005.

Yours sincerely

Moira Thompson
