

# Scotland's richest 100

Scotland's richest 100 were either born in Scotland or live there, or have their main business interests there. The 61 entries listed below are also ranked among Britain's richest 1,000. The first figure is their wealth ranking in Scotland. The next is their Scottish wealth ranking last year; (-) denotes a new entry. The figure after their wealth is their current ranking in Britain's richest 1,000.

Combined wealth of Scotland's richest 100 is £14.49 billion.

\* denotes family wealth.
