Vince Cable the Liberal Democrat shadow chancellor has questioned whether Sir Richard Branson is a fit and proper person to take over Northern Rock. What is your view?

Chancellor of the Exchequer Alistair Darling has been attacked for making concessions on his proposal to tax "non-doms" (people who live in Britain but are non-domiciled for tax purposes). Business groups say the remaining proposal a £30 000 a year

Non-doms should pay the same tax as everyone else - Alistair Darling should have gone further with his proposal, not made concessions	60	54	67	69	60	59	53	62	64	62	57	55	59	59	63	67
Non-doms should pay lower taxes than other people because they bring in money and jobs to the country and could easily go elsewhere	21	31	19	17	25	17	18	19	25	23	19	24	22	18	22	17
Non-doms should pay no tax in Britain at all	2	3	2	2	3	2	1	2	3	2	2	3	3	2	2	1

Suppose a choice had to be made which would you prefer the Government to do?

Tax non-doms more heavily because it's the right thing to do, even if this means that some of them leave Britain, take their business elsewhere, and Britain's economy suffers	45	42	51	52	51	41	37	48	49	49	41	47	44	45	44	52
Allow non-doms to keep their present tax status in order to keep them and their business in Britain, even if this means that they pay a smaller share of their overall income in tax than millions of Britons who earn far less	30	40	29	24	32	27	29	27	33	32	27	32	31	26	31	26
